The Institute has received permanent affiliation and is a recognized research centre for Ph. D. in Management of Devi Ahilya Vishwavidyalaya.

THE BACKGROUND

There has been IT revolution in the world in last 50 years. The winds of IT revolution are blowing all over the world. It has touched every enterprise, sector, society, and government. In the present competitive scenario, IT has transformed the basic nature of business. It allows business to exchange information among constantly changing sets of customers, suppliers, and research collaborators in government and academia on a global basis.

One will have to search practical solutions while mapping for issues and challenges of IT. How can good companies pursue the path of Excellence?

Excellence could be the product of combined and synchronized efforts of various disciplines like Internet, Networking, Data Warehouse and Data Mining, Artificial Intelligence etc.

We are Organizing a one day National Conference. This Conference provides an opportunity to Computer Professionals, academicians and students to share their views and present their research work. An annual research Journal "Pioneer Management Research Journal for Excellence" is also published after each conference. This journal contains selected research papers.

The selected papers out of those accepted for presentation in the conference will be published in the form of a book, which will be released during the inaugural session.
